

# WBA World Recognition

*On this date, May 14, 2010, the We Believe Alliance World Record Program recognizes*

*Bloomington Public Schools*

*Districtwide Food Drive Collection of 23,990 lbs of Food*

*Helping all students thrive in today's rapidly changing world requires communities to close the disparity and achievement gaps between students. A united community can better focus resources to close these gaps. Initially, this may take extraordinary effort, however, it ultimately results in unprecedented results. Therefore, to recognize outstanding unprecedented results, the WBA recognizes the above community's effort, which is certified by the undersigned local government and food shelf leaders.*
