

We help students thrive and dreams come alive

## **We Believe Milestone**

We Believe Partners, Fairview Health Services and Bloomington Public Schools have entered into an agreement to provide free health care services for children birth to eighteen in our community. Bloomington Schools will provide clinic space at the Pond Family Center, 9600 3<sup>rd</sup> Avenue South in Bloomington. Fairview will remodel the space, fund and operate the clinic. Construction is scheduled to start July 6<sup>th</sup>, with a planned opening in the fall of 2009.

Other News – The Education Foundation of Bloomington is holding it's annual fundraising golf tournament on Wednesday, August 5<sup>th</sup>. The foundation raises money that supports children and special projects in the Bloomington Public Schools. The Education Foundation also provided startup money to initiate the We Believe Alliance. EFB is still seeking tee and green sponsors, prizes for the silent auction and raffle and golfers for this year's event. Please contact Mary Udseth at [mkud@comcast.net](mailto:mkud@comcast.net) if you would like to contribute or register to golf. For more information about the Education Foundation, follow the link provided on the We Believe Alliance website, <http://www.webelievealliance.org/index.html>, under the partners tab.
